

Behavioral Healthcare Partners of Central Ohio, Inc., [BHPCO] a dynamic not-for-profit organization serving clients in multiple Counties, but primarily Knox and Licking Counties is recruiting for the following position:

### **Psychiatric Advanced Nurse Practitioner**

BHP is currently searching for an experienced CNS or CNP Advanced Practice Nurse for a full time position. Under the direction of a collaborating physician, this individual will evaluate and diagnose SMD adult clients who are experiencing a psychiatric emergent/urgent or routine condition in an outpatient setting. Additional responsibilities include: provide pharmacological treatment for patients including prescribing and managing psychotropic medications as well as providing follow-up; order and interpret appropriate lab tests; coordinate with other prescribers (primary care physicians) as appropriate; coordinate medical aspects of treatment with the Medical Staff, Nursing, Clinical Services and others as appropriate. Essential requirements needed for this position include: excellent clinical and documentation skills, strong written and oral communication skills, ability to collaborate with other service providers. Must demonstrate a willingness to work in fast-paced, innovative environment. This position may provide services to both our Knox and Licking County facilities via a combination of telehealth and/or onsite service. Master of Science in Nursing Degree required; Certified in Psychiatry required. Candidates should have experience in meeting client service productivity expectations, and in the utilization of electronic health records. Must have a valid Driver's License and reliable transportation. Basic computer and typing skills are required for all positions.

Please submit cover letter and Curriculum Vitae to:
