

BHP of Central Ohio, Inc., a dynamic not-for-profit organization serving clients in multiple Counties, but primarily Knox and Licking Counties is recruiting for the following position:

Family Care Coordinator

Knox County

BHP is currently searching for an experienced professional to provide full time case management services for a position on our youth team in Knox County. This position requires experience in Community Support outreach activities including case coordination and conducting home, community and school visits. The ability to collaborate and communicate with other service providers (i.e. community partners) is essential. Excellent written and oral communication skills are required. Candidates should possess proven experience in treatment planning and implementation from a strength based perspective. Must be able to engage and maintain professional client relationships. Must have the ability to be consistent with clients and treat everyone equally with respect and dignity. Responsible for setting and enforcing appropriate boundaries with clients and coworkers. Need to be able to schedule and keep appointments. Candidates should have experience in meeting client service expectations and utilization of electronic records. Associate Degree in Human Service field is required; a Bachelor's Degree is preferred. Licensure is preferred (SWA, LSW, LPC). This position is a direct service position that provides transportation to clients therefore candidates must be able to provide reliable transportation; valid Ohio driver's license and proof of auto insurance are required. Basic computer and typing skills are required for all positions.
